Property Description

Location: Monte Mayor, Marbella, Costa del Sol, Spain

Incredible hybrid villa with a long driveway into the parking patio entrance detailed with portugese marble flooring.

When we enter the property we find two simetric staircases to the upper floor where the master bedroom and another bedroom are located, going straight between these stairs we get to the living area with panoramic views to the mediterranean sea, to the left you find the sofa area and to the right it is open to the dining room and communicated with the black n white kitchen with an impressively large island.

At the basement we have a very spacious area that leads us to the large indoor pool with a jacuzzi attached to it, gym and sauna. At this level we can also find a cinema, and a bar as well as a garage for up to 2 cars.

Outside of the villa we have a reasonably low maintenance garden with a barbecue/chillout area, infinity pool and an outdoor spacious dining area. We also find by the entrance the small guest/service house prepared to add a kitchenette for itself.

An outsanding villa that is worth a visit!
