Property Description

Location: Monte Mayor, Marbella, Costa del Sol, Spain

This modern style villa is situated on a large corner plot of about 2895 m² within a gated community of Monte Mayor - an area which has taken its name from one of the peaks of the Ronda mountain range called Monte Mayor which is 580 metres high and can be seen from many places along the Costa del Sol. Monte Mayor is one of very few remaining valleys on the Costa del Sol where an abundance of natural vegetation and low density planning can be found.

The house has double height ceilings and windows with panoramic views of the mountains and countryside surroundings. A comfortable layout comprises a lounge/dining area, a Danespan kitchen with Neff appliances and Dekton worktop, a large island and utility room, two en-suite bedrooms and one office room which could be used as a fifth bedroom. All have panoramic views.

A staircase in metal, glass and wood leads you to the upper floor with its suspended walkway to the master suite with bathroom and dressing room, to a second bedroom suite and to a family room. There is a 110m² rooftop solarium with breathtaking views to the mountains and the valley and pre installation for kitchen.

The house is surrounded by terraces, porches and garden with infinity edge pool with water layer for three sunbeds and jacuzzi. In addition, the house offers under-floor heating throughout, outdoor kitchen, jacuzzi, storage room. There is also private parking for more than four cars.

The property is located near Benahavis, one of the richest villages in Spain and well-known for its gastronomy where, in summer we advise you to book a table as the village is packed in July and August with tourists coming up from the Costa del Sol. It is close to several important schools such as The International School Estepona and Atalaya Colegio Internacional.
