18 villas with exceptional views across the Mediterranean to Gibraltar and Africa beyond. Construction begins soon! Vista Lago Residences is a luxury development of 18 design-led sustainable villas in the exceptional location of Real de La Quinta, where the views towards Gibraltar and Africa are arguably among the best in the world. The setting is unique, with Marbella's iconic La Concha mountain on one side and the exclusive La Zagaleta Country Club & Golf estate on the other, bordering a UNESCO biosphere reserve and just a 15-minute drive from Marbella. Vista Lago Residences occupies 6.5 hectares of the 200-hectare estate that makes up Real de La Quinta in the idyllic foothills of the Sierra de la Nieves overlooking Marbella. Exceptional positional design allows for views over a lake, La Concha mountain, golf courses, the Spanish coastline to Gibraltar and the continent of Africa beyond, all while sitting in one's own lounge. Exceptionally positioned, 18 designer villas. Approximately 500 m2 built size, plus terraces and gardens Plots start from 1.107 m2 and go up to 10.005 m2 Private, gated community within the exclusive community of El Real de La Quinta 3-4 en-suite bedrooms Windows disappear inside walls: lounge and terrace merge seamlessly Spacious basement Generous, individual plots with uninterrupted sea views Custom-made designer furniture selections, sold separately Covered parking for all villas, with three villas having a garage in the basement. These design-led homes will be quite unlike anything that has gone before. In a climate that lends itself to outdoor living, these villas will work as well outside as they do inside, if one can tell the difference.
